Exhibition Panels

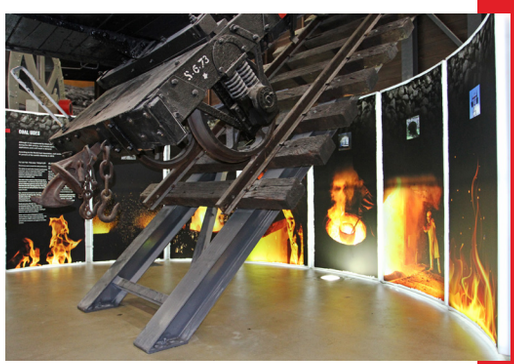
Designers and Curators have grown to rely upon the quality and accuracy of the Graphic panels that DAC produce for all their exhibition requirements.

- Large scale high resolution printing
- Wide range of media options and solutions on paper, vinyl, synthetics and fabrics
- Experienced computer skills and support for your design team
- Lamination and mounting - largest capability in New Zealand - limited only by material sizes
- Highly skilled finishing technicians - a dedicated team
- Friendly helpful advice from our years of supplying the best exhibition people
- Cost competitive and no hidden extras
- Project and deadline management - Nationwide

Backlit

Add an extra dimension to your exhibition with backlit images.

- Applied to acrylics, opal or clear, front or face mounted
- Also available as a thin rollable material for sandwiching between lightbox acrylic or stretching across a frame



Point of Sale

DAC use all the skills and products that we have fine-tuned for the exhibition market to provide POS Graphics to the retail and commercial sectors.

From shop window banners, backlit displays to display stands and header boards and footpath signs
